

2022 South East District Fire School

Saturday September 17th

Tea High School (500 West Brian St)

Chiefs Round Table : For officers and more experienced firefighters to ask questions that others that may have gone through similar situations in their own departments. (AM Session)

EMS Round Table : For any and all EMT's to ask question , to discuss how things are done in their departments. Open to whatever they feel needs to be asked. (PM Session)

Water Rescue : We have all been taught the Reach, Throw, Row, Go rescue sequence for water rescue. This class will focus on the Reach, Throw and Row portion of the sequence, while understanding the roles in a GO rescue. Participants will work on different Reach and Throw rescue techniques as well as learn the basics of Rowing their department inflatable boat. We will finish the class with understanding your role in a GO rescue situation.

To become familiar with your own equipment, please bring your departments water rescue equipment, including ice rescue suits. You should expect to get wet and dress appropriately and provide your own PFD. Participants may be required to travel to two different locations during class.

Instructors: Michael Olson and Rob Flannery, Sioux Falls Fire Rescue Swiftwater Team

Engine Company Basics: Participants will focus on the quickest and cleanest way to deploy from the apparatus to the structure. We will focus on flat and triple loaded hose. Participants will also learn to efficiently and quickly maneuver a charged hose line. The class will also practice moving while flowing water.

Instructor: Scott Rieland

MAYDAY: This class is for all levels of membership. It is for the firefighter on their first day or the seasoned veterans. The basis of the class it to give the skills to call Mayday under various emergencies a firefighter may find themselves in. The minimums are: being trapped or lost in room, having something collapse on them such as a ceiling, being hung/snagged on something such as wires or falling through the floor or roof. At the end of this class, you will have the knowledge and skill to call a proper Mayday. The class requires full PPE, SCBA.

Instructors: Bob Venard, Aaron Mosterd, Tea Fire Department
